Gerald Dickens  
Returns!

## Join us for a Dickens of a Celebration! September 27 – 28, 2008

We have planned lots of special happenings such as a chance to win a Trip for Two to London, a performance of "A Christmas Carol" by Charles Dickens' great-great grandson Gerald Charles Dickens and special Caroler® event figures of Mr. and Mrs. Dickens. Gerald has told us that he will be happy to sign these pieces for you if you can catch him between performances.

The weekend will be very festive with a huge birthday cake and English Tea and a chance to ride a double decker bus. You will also have an opportunity to design your own Caroler and tour the production floor. There will be lots of our "Old Friends" for sale and many retired pieces will be raffled off as prizes.

For a complete update on our event happenings visit [www.byerschoice.com](http://www.byerschoice.com). Some of the activities are already sold out but don't let that discourage you.

Event Figures:  
Charles and  
Catherine Dickens

We promise lots of fun for everyone!
